Exploring, Inc. Named to the Inc. 5000 for Sixth Year

Only 6% of companies have made the list six times.

ATLANTA/August 15, 2018 – Exploring, Inc., the parent company of several rapidly growing Atlanta-based companies, has been awarded a spot on the 2018 Inc. 5000, *Inc.* magazine's prestigious annual ranking of the nation's fastest-growing private companies.

This is the sixth time Exploring has been named to the list, which is based on percentage growth in net sales over a three-year period. According to *Inc.*, of the tens of thousands of companies that have applied to the Inc. 5000 over the years, only 6% have made the list six times.

Exploring's dynamic collection of brands are focused on helping clients achieve the unexpected. The companies serve a range of industries, from the exhibit and event industry to hospitality, commercial, retail, architectural, museum, and other markets. Exploring is focused on continually investing in its team and capabilities and growing its offerings to provide clients with truly innovative solutions and value.

"We're excited and honored to have earned a spot on the Inc. 5000 for a sixth year," says David Walens, president of Exploring. "We've invested in a cutting-edge facility and worked hard to put together a unique group of capabilities provided by a talented and highly skilled team. Exploring's continued growth comes from our unwavering focus on providing clients with innovation and value, and we appreciate our loyal clients' support as well as the hard work and dedication of our employees."

"If your company is on the Inc. 5000, it's unparalleled recognition of your years of hard work and sacrifice," says *Inc.* editor in chief James Ledbetter. "The lines of business may come and go, or come and stay. What doesn't change is the way entrepreneurs create and accelerate the forces that shape our lives."
